Instructions

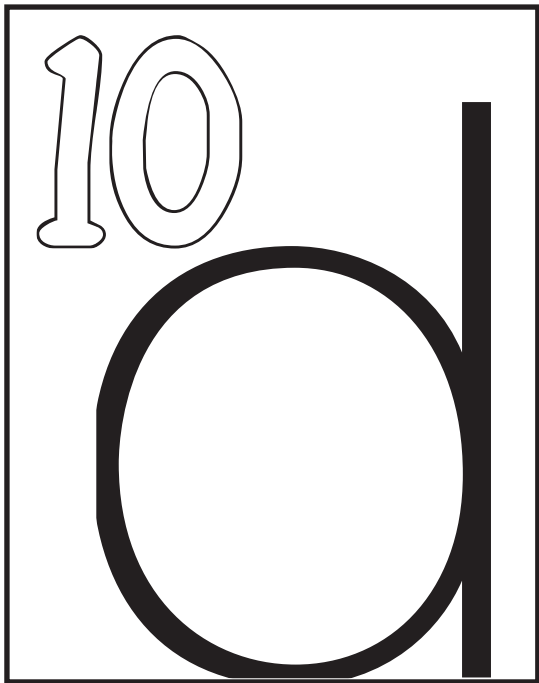

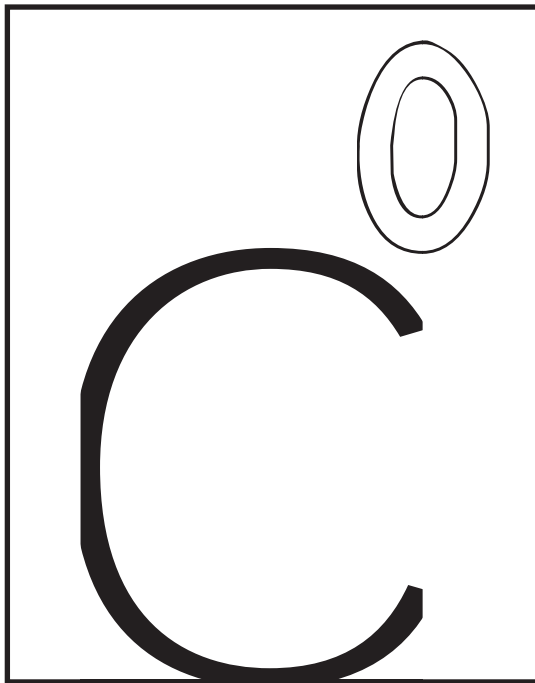

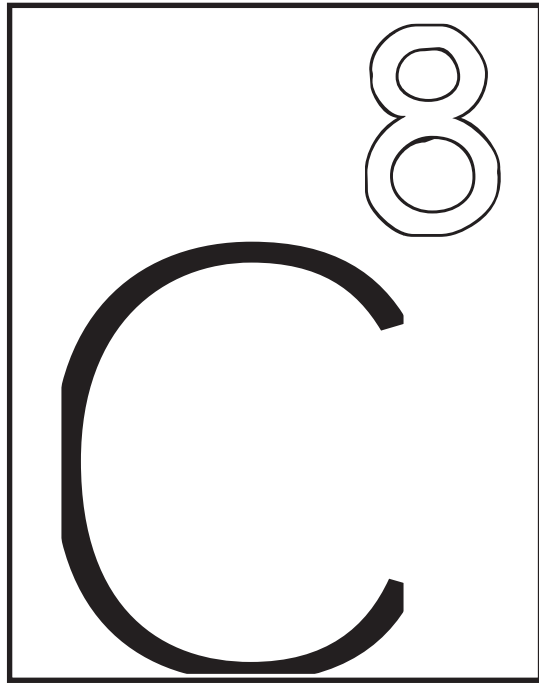

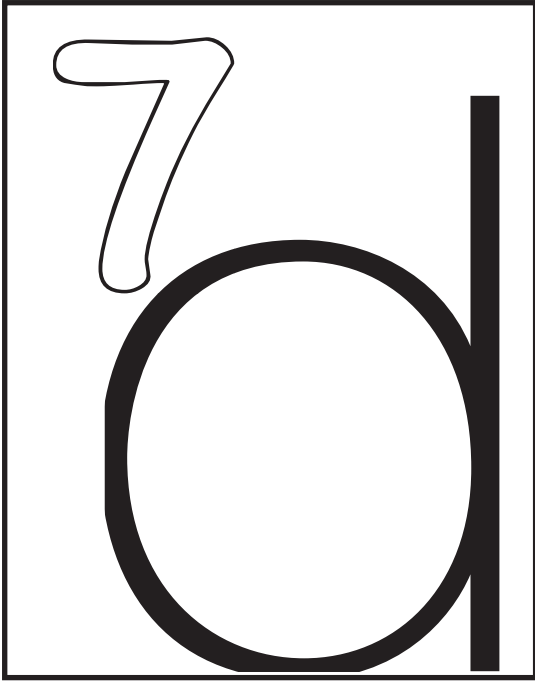

Print onto white paper, color and cut out the “children” cards, then stick on the inside of your file folder. (NB You do not have to use all the cards - use as many as is appropriate for your child’s age and counting ability).

Print out the cupcake cards, either onto colored card or onto white card for coloring in. Laminate if you wish, and cut out. Keep in an envelope or bag with the file folder.

Cut out and stick the label opposite to the front of the file folder.
