Beibei

Beibei represents the fish. In China's traditional culture and art, the fish and water designs are symbols of prosperity and harvest. And so Beibei carries the blessing of prosperity. A fish is also a symbol of surplus in Chinese culture, another measure of a good year and a good life.

The ornamental lines of the water-wave designs are taken from well-known Chinese paintings of the past. Beibei is known to be gentle and pure. Strong in water sports, she reflects the blue Olympic ring.
