

Yingying

Like all antelopes, Yingying is fast and agile and can swiftly cover great stretches of land as he races across the earth. A symbol of the vastness of China's landscape, the antelope carries the blessing of health and strength of body. Yingying's flying pose captures the essence of a species unique to the Qinghai-Tibet Plateau, one of the first animals put under protection in China. The selection of the Tibetan Antelope reflects Beijing's commitment to a Green Olympics. His head ornament incorporates several decorative styles from the Qinghai-Tibet and Sinkiang cultures and the ethnic design traditions of Western China. Strong in track and field events, Yingying is a quick-witted and agile boy who represents the yellow Olympic ring.
