

Harry Potter Character Jumble

You can play this Harry Potter Character Jumble as a puzzle or as a game. Either way it is fiendishly difficult!

First, print the following pages, preferably onto card. Carefully cut up the “tiles” and jumble them up.

Puzzle:

Sort out the tiles so that they spell the full names of some of the best-known characters in the Harry Potter books.

Game:

Place all the tiles face down in the centre of the table. Take turns turning one card over at a time. See if you can complete a name. If you can, take the tiles and place them in front of you. The person with the most names completed at the end wins.
