

# Monster Fun!

Draw and color a monster in each of the boxes, making sure you follow the instructions carefully.

I'm a very round monster! My body is blue but my arms and legs are red.

I'm green, and I'm mean!

I don't have any arms and legs, but I do have a tail and horns!

It is hard not to see me because I'm so bright, but I can fit into some very tiny spaces to hide!
