

# Skeleton Game

**You will need:**

**A die**

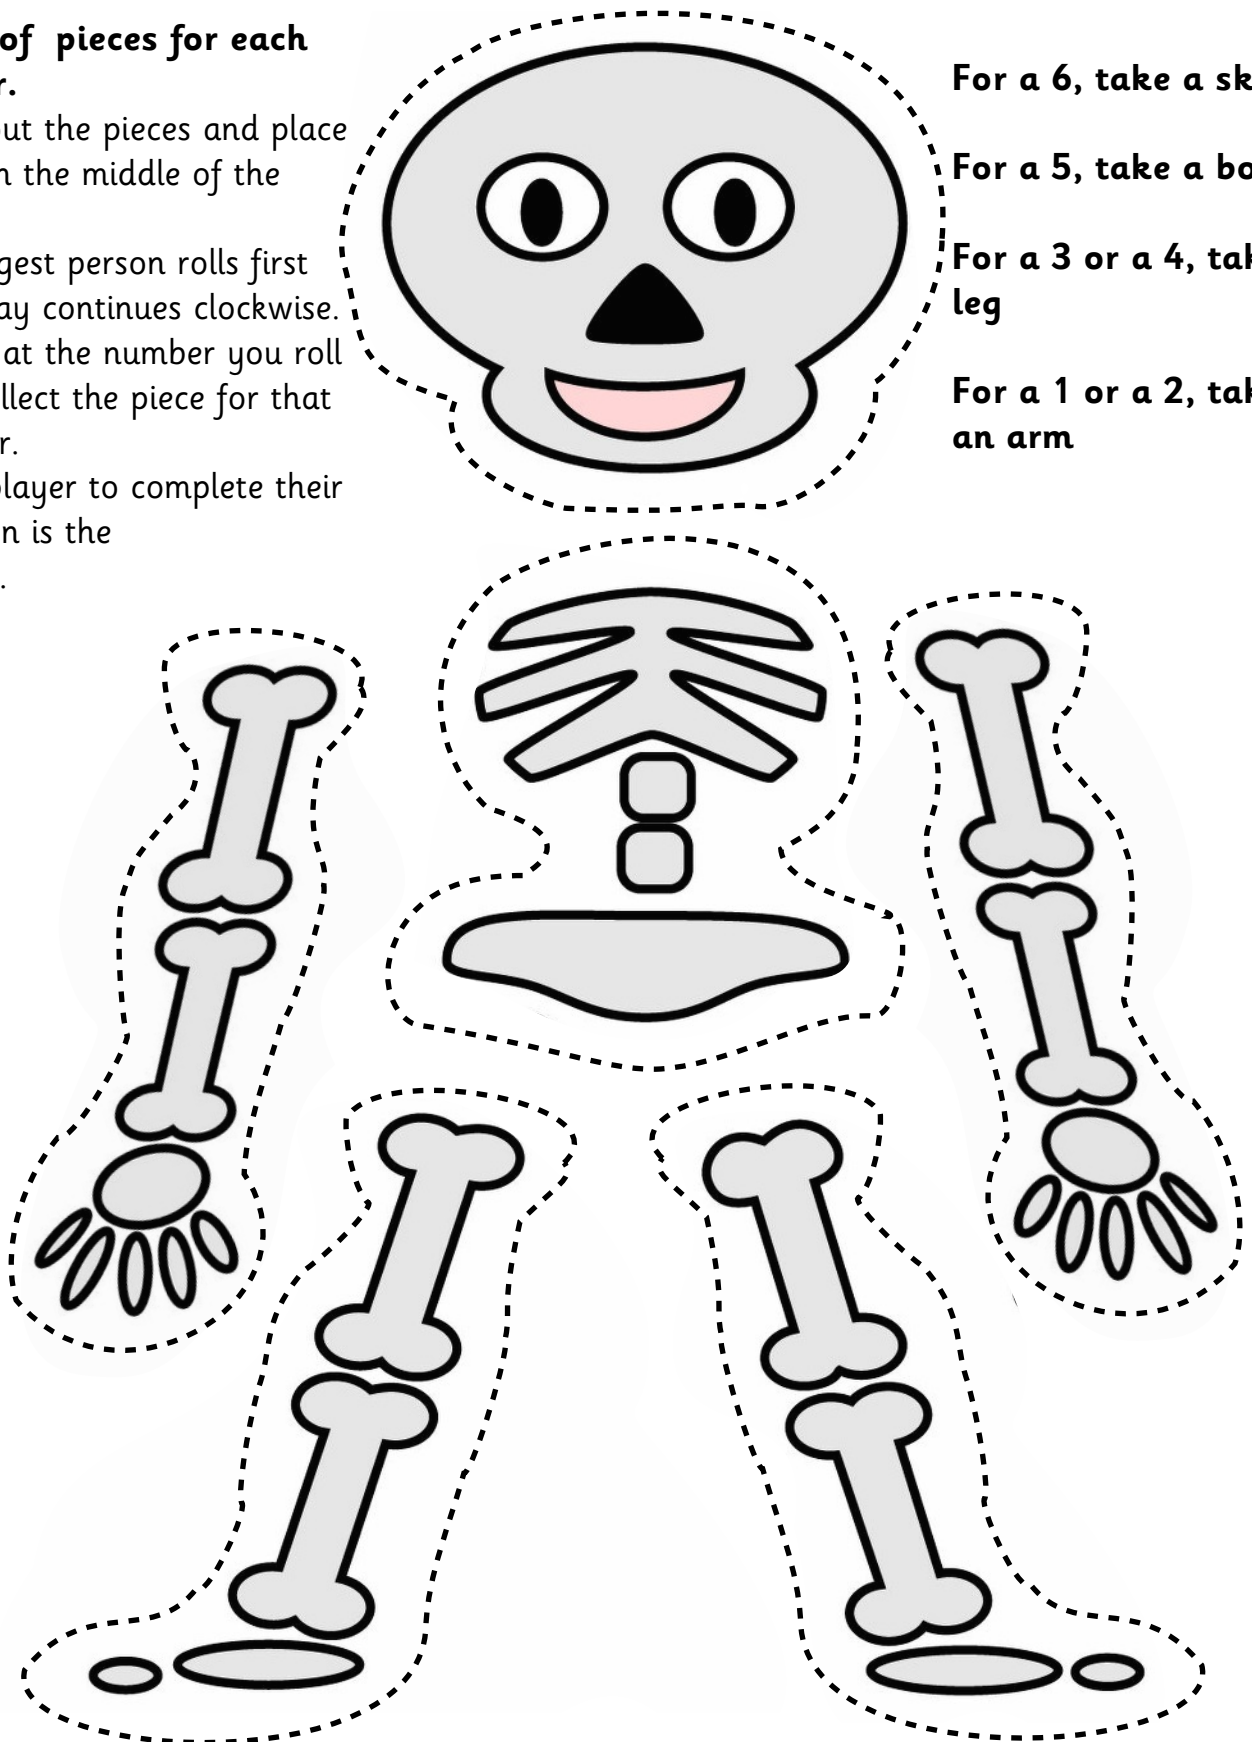

**A set of pieces for each player.**

- Cut out the pieces and place them in the middle of the table.

- Youngest person rolls first and play continues clockwise.

- Look at the number you roll and collect the piece for that number.

- First player to complete their skeleton is the winner.

**For a 6, take a skull**

**For a 5, take a body**

**For a 3 or a 4, take a leg**

**For a 1 or a 2, take an arm**
