Witch's Robe Template

------- Fold -------

Measurement from child's
wrist to wrist
with hands outstretched

Cut out small semi-
circular shape for
child's neck

Find a point just underneath the
child's arm where you can
loosely pin the fabric together
with a safety pin. Then cut along
these lines to reach that point.
Place safety pins as shown by
the black circles.

You can add a sash made out of
leftover material if you like..

Measurement from
back of child's neck
