

Our Little Bit to Help

In these difficult times it is important for all of us to do what we can to help.

So we've pulled together some of our favourite activities into bundles like this one, and are making them free while things remain tricky. We hope these fun activities will help keep kids busy and engaged and take the pressure off just a little!

If you find these activities useful, please tell other parents and teachers, friends, family and colleagues about these bundles and send them to

www.ActivityVillage.co.uk/school-closures

We've also got hundreds of ideas for crafts and games on the website, all free to explore and enjoy!
