

Maneki Neko key-ring

To make your maneki neko key-ring, print this page out onto card or good white paper.

Carefully cut out the two images, then glue them together, back to back.

Laminate, if you wish.

Punch a hole in the top left corner, and thread onto a key-ring. Alternatively, loop some gold or red cord through the hole and use that to hang your maneki neko from a key-ring or maybe a door knob! You could even add a tassel.
